## Email Subscriptions for FTT are now available

Greetings and Salutations,

Canterbury Faire. Whew! I am sure that I have not been the only attendee who has been simultaneously a little burned out and a lot inspired by this year's CF. There were some wonderful examples of Arts and Sciences on display, with one of the most impressive being the 'fire breathing dragon' as being demonstrated in this month's cover.

There were also a lot of awards given out at Faire this year, see later on this edition for a listing. It was truly inspiring to see and hear all the way that

the populace of Lochac contribute, for the enjoyment of all in this great Game.

I now find myself looking forward to the rest of year. Baronial Anniversary is coming up, have a look at page 8 for that; and the Southern Highlands are thinking about Yule already, probably because the weather down here is already moving into autumn. If it wasn't for Canterbury Faire we would forget what summer looked like.

Yours in Service,

**Mýrún Jóhansdóttir**

## Their Excellency's Speak

Greetings everyone,

We're not going to repeat any speechifying at Canterbury Faire in this column, or use words like 'move forward', 'vision', 'unity', 'growing the barony', 'respecting our roots', etc. They are worthy goals that we hope the Barony will work towards, but at the time of writing, it's a hot day, and no one has the attention span for that.

However, we do have a few thank yous we would like to make publicly.

To the populace: Thank you for your support and encouragement in our nomination for the role of Baron and Baroness. We couldn't and wouldn't have run without your words.

To the Court: Thank you for all your hard work. Not just in fetching, carrying, organising and keeping our show on the road, but also in ensuring Her Excellency ate during the event. (Particular thanks are due to Amberherthe for looking after all the mundane details while we were out and about.)

To the Stewards and deputy stewards etc: thank you for putting on a fabulous Faire. It was a fine event, and a thoroughly memorable place and time to be invested.

We also extend our thanks to those who have taken up office in the Barony - in particular our new Seneschal, Lowrens Wilyamson. We wish him all the best in this vital role. We would also wish to echo his words in encouraging others to consider

stepping up to take office in Southron Gaard. We have several vacancies at the moment that would be a good place to start exploring the wider facets of the SCA.

Finally, we offer our congratulations to those who have received awards at Canterbury Faire. It was wonderful to see so many talented and hard working people recognised by the Royalty of two great Kingdoms.

As always, Faire was a brilliant mix of catching up with friends, exhaustion and terrible fits of stuff-envy that will hopefully turn to inspiration. If you, like us, found things at Faire fired your enthusiasm, we sincerely hope that you have recovered enough from Faire to start working on them. Baronial Anniversary is fast approaching, where the Baronial Arts and Science Champion (among others) will be decided, and we would love to see your works on display.

To those of you we have already met - we look forward to seeing you again at Baronial Anniversary, Council, practices or Stuff/Seamsters' nights. Those of you we do not know - we look forward to meeting you.

Regards,

*Oswyn and Isabel Maria*

## Seneschal's Comments

Other people have said it and will say it, but it's worth saying again: Canterbury Faire was an excellent event. Many people were there, and it was good to see so many from elsewhere in Lochac and the Known World. It was also good to hear so many visitors declaring their astonishment and delight at what we are achieving with this event, even without the circumstances of the past year. Plaudits are due to the stewards and the many, many other people who put shoulder to wheel to make it that way.

This year is the 30th year that our society has been operating in this part of the world, and the 15th anniversary of the Barony. Perhaps more auspicious than some other years, if your derivation of portents bends in that direction. Last year was a fairly quiet year for events in our barony. Many of the challenges that caused this are still with us: fewer available venues, mundane distractions of time and energy from people, and so on. One of our important activities for this year is to see how we can deal with and adapt to these challenges. I am hopeful that we can achieve something.

It's possibly just coincidence, but perhaps my pleading in my previous column had some

small effect. We have recently received applications for the positions of Chatelaine (two, in fact!), and Arts and Sciences officer. Thank you to the people who have applied. These applications are being worked through, and I hope to be able to announce appointments before too long.

We have yet to receive any applicant for Captain of Archers, and the positions of Chirurgeon and Lists are still vacant. Please consider these positions. If you are not sure what is entailed, talk to the current officer or someone who might have held the position before.

An enquiry is not a commitment to anything, so don't be shy.

In service,

*Lowrens*

## The comely campsite – Articles from ‘Spiffing up your Campsite’ Series.

Greetings!

If thou, as I, found a myriad of wonderful and beautiful period style items in use at the various campsites and households, and found yourself suffering from a condition peculiar to the SCA (known as ‘stuff envy’), I would like to direct your attention to the following website.

<http://www.livinghistory.co.uk/homepages/oakley/>

A member of the Order of the Laurel in the Midlands, Charles Oakley has published online and free from copyright a number of plans for making such items as banner and music stands; beds; chairs, stools, and benches, and pavilions. Items can be as simple or elaborate as you desire, and most items do not appear overly difficult to make. Enjoy!

# Southron Gaard Council Meeting

Tuesday 17th January 2012

**PRESENT:** Scott (Lowrens), Richard (Richard), Carl (Oswyn), Miriam (Isabel Maria), Alan (Angus), Andrew (Jajiradai), Niamh (Elena), Robyn (Agnes), Will (Maximilian), Amy (Amalie), Joanna (Chunegunde),

**APOLOGIES:** Josie (Elisabetta)

**MEETING OPENED:** (not advised).

**JANUARY MINUTES:** Minutes of previous meeting accepted unanimously.

## **BUSINESS ARISING:**

Cash advance form tweaks - under action by Richard.

Valuation of coronets - Last done ~2006: \$2500 each. Richard to look through Reeve's files for the most recent valuation.

Liability insurance requirements with SCANZ - Mentioned to SCANZ rep at seneschal's meeting at CF but no formal correspondence from us as yet. Good for \$2 million at present, the Christchurch City Council may be wanting more.

## **OFFICER REPORTS:**

**B&B** (Oswyn and Isabel Maria): Liaised with our very hardworking LiWs over a Court roster.

Much correspondence with the Crown, the Royal Chamberlains of Lochac and Caid, and with members of the Lochac Royal Household.

Stepped up in Court at Canterbury Faire and stepped up our Court members.

Oswyn unable to attend much of Faire, but Isabel Maria attended meals at the Archers' household, attended B& B's dinner, did much meeting and greeting, pressing of flesh, etc.

Both were present for a hosting a breakfast with Crowns of Lochac and Caid, and attended Courts and tourneys.

Correspondence and discourse with the Seneschal and members of the populace regarding child protection policy.

Thanks also to the Baron and Baroness of Stormhold and Catherine de Vauntier of Ildhafn for their wonderful gifts.

Additionally, we are keen to hear from officers regarding any plans they have for their offices and activities, but no worries if not. We are also keen to hear how officers felt Faire went for them in their role as officers or Stewards, what they would like to change, and how they think it can be improved.

Also, Isabel Maria has had a couple of suggestions from the populace that perhaps CF attendees could be surveyed regarding things such as:

- Is the event too long/short/right?
- How is the meal plan working? (Which we think, by the way, is a great thing, and works because of the commitment of some very fine people).
- How do they feel about chores? Do they do their chores? If not, why not?

This is *\*not\** to say that anything is wrong with Faire, but just so that we can keep

informed regarding how people feel about the event, and plan accordingly.

**SENESCHAL** (Lowrens): Stepped up at Court at CF. Received warrant from Kingdom Seneschal.

Discussion and correspondence with local people regarding an incident at Faire and regarding child protection policy.

Getting self-organised with regard to general Seneschal business.

**REEVE** (Richard):

- Archers Auction	\$615.50
- Event fees	\$23,808.89
- Interest	\$16.96
<b>Total</b>	<b>\$24,441.35</b>

- Bank fees	\$20.00
- Equipment hire	\$1,095.00
<b>Total</b>	<b>\$13,619.73</b>

Balances

- Cheque	\$33,088.67
- Holding	\$2,903.73

Site fee - approx \$13,000

**HERALD** (Maximilian): Quarterly report done. Excerpt: I heralded some at Canterbury Faire, and organised the other heralds during that event. At present I am still delinquent on the paperwork for this event, as when I consulted the Crown the original list of awards they confirmed was non-complete. As such I expect to file a list of who received what at CF, and who heralded which courts, at a later time.

**ARTS AND SCIENCES** (Amalie): 45 classes were run at Canterbury Faire. The A&S display was well-attended. Seamster's last month was held at Elisabetta's and had perhaps 6 people present. I failed to organise a

Stuff Night last week and am currently chasing down a lead re Seamsters' location this month. The Scriptorium met last week but I haven't caught up with how it went yet. Thordis is hosting another String Day in a fortnight. I have had someone step forward to replace me as A&S officer, hooray!

**CHRONICLER** (Mýrún): Quarterly report done. Excerpt: Last months FTT was put out a little early, on the 22nd February in order to ensure that Canterbury Faire participants obtained the most up-to-date information regarding the event. I now have access to the web statistics for the web site, and the site doubled its visitors from 24 in December to 49 in January, with viewers coming from New Zealand, Australia and the US predominantly.

**WEBWRIGHT** (Eleanora): Over the past three months I have mainly done some minor updating to do with Canterbury Faire, although there wasn't really very much of that. My main activity as far as day to day maintenance is concerned has been with creating and assigning Google calendars so that officers or stewards can add and edit events without having to go through me each time.

One new thing was adding people to the gallery system so that they can post pictures. This took a while for me to sort out as the information was not in the documentation that I was given and I had to ask Master Bartholomew about it. The gallery is not well used, possibly because people have to ask to be added and because people have their own places to post photos?

I had hoped to get some background work done over the holidays but ill-health slowed my progress. I have however begun a content audit. So far I have gone through all the pages sitting at the root of the website. As I did so I

think that I have discovered why our old pages and domain (<http://sg.sca.org.nz>) are still dominating the Google results and thereby have been able to develop a potential solution to the problem although it will take some time to implement.

**CHATELAINE** (Chunegund): Attended CF. Final count for garb loan 18 people, 9 of which had not pre-booked it. All of these 9 were friends of SCAdians, and had only found out the week before about CF, and day-tripped. It was quite alarming to hear, after arriving at Faire, that up to 10 ungarbed people may turn up on the Saturday, when I had brought only 4 spare surcoats. Luckily they all turned up in shifts. Received \$6 for garb hire. Sent out requests tonight for outstanding garb to be returned.

The deputy Chatelaines worked better this year, due to better advertising during the year on the website. It was also appreciated that I had little notes on my tent saying where I was most of the time. That said, from the hire garb and newcomer's tour, most Faire newcomers were either SCAdians from other parts of the world, or had been brought along by friends, so the burden was a lot less. I should have got the Webwright to put the Newcomer's tour on the website earlier, thankfully she was onto it and posted it of her own accord. We still had a turnout of about 8-10. Nice to see it's still popular after 3 years.

Received email from Sage about the Golden Flight Radio NZ show. It was aired on 9/2/12. I thought it was a great sum up of the weekend, so I asked if we could put it on our website outright, but at the moment we can only link or embed from the RNZ site. I will send a message to RNZ for permission, as so far I have only asked Sage as an intermediary. According to Webwright, things can stay on RNZ for about a year, so we have time.

Received email from newcomer about Stuff Night, but unfortunately it had been cancelled already.

Advertised for replacement, applications close 21/03/12. I have had interest from two people, but only one actual application so far.

**MARSHALL** (Callum): No report received.

**CAPTAIN OF ARCHERS** (Jajiradai): Quarterly report sent in. Made application for 6-month extension, while continuing to try bribery and strong-arming potential replacements.

Attended Canterbury Faire, had large number of archers - many new to archery, some just new to the SCA. Many tournaments were held, and people seemed to enjoy themselves.

Resumed practises post CF, had a few newbies attend.

**QUARTERMASTER** (Angus): Took stuff out to Faire, and it came back. Very pleased. At least one sunshade got ripped - will have to be looked at to decide whether it needs replacing or just repairing.

Isabel Maria - wear and tear on baronial pavilion a problem. It needs to be secured and pegged properly to reduce the prospect of further damage.

Flagpoles - need to replace the current bamboo ones.

Also, we need more boxes for crockery - ideally ones with lids so the items don't get covered with dust and gunge between uses. The current ones are wearing out from being over filled with heavy items.

Amalie - do we need to get more crockery? This CF's feast used everything we had, and that was 20 smaller than last year's.

No decision made.

**CAPTAIN OF RAPIER** (Elena): Practice has resumed. Presently we are on Sunday

afternoon at 12:30pm, immediately after the Heavy practice at Jellie Park. Investigations have been made regarding another Park location, which is on at least 3 bus-routes, has public restrooms, and a lightly gravelled area with seating/benches around it, not much bigger than the list field (as well as the obvious grassed areas). Photos will be taken and distributed for Fencers (and perhaps Heavies) to comment on. As the potential for slightly damp days increases, we may still be able to use the non-grassed areas...

Canterbury Faire has been and gone. The tournaments proceeded well, with many people lending a hand to help run lists/marshalling. We had our inaugural Cut and Thrust Tournament which consisted of 7 entrants. It will be interesting to see how this develops as people are slowly able to authorise for this Fighting form.

We have at least 1 person at this stage that will need to authorise shortly. I will be discussing this with Emilio as to when he is able to make himself available as our authorising Marshall.

**CONSTABLE** (Agnes): went to Faire. Sold off lost property from Faire, \$122.00 from the same given to Richard to bank.

Requested funds to purchase two 40 - 60 litre containers for holding the lost property.

Council consensus - all happy for Agnes to buy the containers and be recompensed after the purchase.

Richard - That the pre-existing policy that officers may spend up to \$50 per annum for such costs as are required for the running of their office without specific approval from council, be re-affirmed. Invoices will still be required for reimbursement as per the normal requirements.

Council unanimously agreed.

## **EVENT REPORTS:**

**CHRISTMAS REVEL:** Nothing further to report.

**CANTERBURY FAIRE** (Raffe & Rat,) Verbal report from stewards, full report to come. Have some preliminary figures, but would rather wait till all complete before releasing them.

Numbers - nearly 270. Extra people were charged for at the same rate, not the anticipated increase, so extra costs did not eventuate. Expect an \$8000 surplus.

Some minor hiccups - only one tent peg through a pipe; hot water heater behind the showers needed resetting, and the one upstairs was turned off by a keen person.

Ross the manager happy with the volume and disposal of recyclables, and peoples' behaviour. Little in the way of injuries. Sprains and strains. Only one injury requiring offsite attention.

Richard - proposed that petrol vouchers be offered to Lucia as she has taken people offsite for medical attention twice, taking up hours of her own time.

Council agrees.

Discussion of Canterbury Faire date for future years - suggestion to have it earlier as an increasing number of people cannot attend due to work as teachers, or those with school age children being unable to attend.

Chunegund asked how successfully putting posters up at University Campus was. Raffe and Rat - only \$70.00 worth spent from the

\$300 allotted. Hard to tell as only put up two weeks before the event.

Could be put up at the end of the preceding university year to increase effect, e.g. October?  
Isabel Maria - Ordo Cygni best way to publicise Canterbury Faire.

### **UPCOMING EVENTS:**

**BARONIAL ANNIVERSARY** - Date tentatively April the 14th as a wedding has intervened. Venue likely to be out of town. Will encourage car pooling. Feast and tourneys - heavy, rapier, archery, buffer. Bid to go before Council ASAP.

**YULE** - Mýrún has expressed interest in putting in a bid.

### **GENERAL BUSINESS:**

**DONATIONS:** For the SCA US lawsuit costs.

Raffe - Most Australian groups that have opted to donate are considering 10% of cash on hand.

Vote to make some form of donation: 10 in favour, one against.

Vote to make donation \$2,000.00: 10 in favour, one abstention.

Richard to organise.

**REGALIA** (Isabel Maria): Regalia needs repairs and to be cared for better. (Lochac banner found to have gone mouldy, the rug used for the past two years up front at courts belongs to the Mong, and some other items needing work, such as thrones partially delaminating).

Richard - proposed \$500.00 towards baronial funds for maintenance/repair/purchase of specific regalia items. Council approved sum, details to be confirmed at subsequent Councils.

Richard - has two gambesons largely made at Canterbury Faire needing an industrial sewing machine, and then will be ready for completion.

**MEETING CLOSED:** (not advised)

---

## **For Sale**

## SCA (NZ) Inc. Membership

There are two different types of membership available to event participants in New Zealand:

### Subscribing Membership:

grants full rights of participation in the SCA (including voting, entering Crown Tournaments, holding office and affiliate membership with overseas branches).

Subscribing membership also includes a subscription to Pegasus, the Lochac Kingdom Newsletter in either electronic or paper form.

1 Year with E-Pegasus \$ 15.00  
3 Years with E-Pegasus \$ 30.00

1 Year with Pegasus \$ 45.00  
3 years with Pegasus \$105.00

### Event Membership:

For all non-members aged 18 years or over attending an event.

Event membership lasts for the duration of that event only and is not sufficient to hold office or fight in Crown Tournament etc.

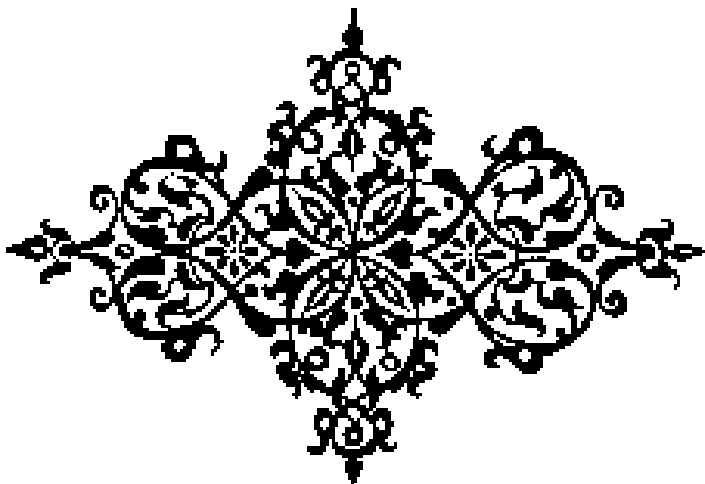

If the event has a cost, and it is not held by a College, the levy will be charged.

Per event \$ 2.00

A SCA(NZ) Inc. membership form is included on the final page of this newsletter, or can be accessed on the SCA(NZ) website.
